Smogmoon Tobacco with History

Hookah pleasure began in the Ottoman period with the recognition of tobacco from America in the 16th century. Hookah, which was used only with tobacco in the past, became very popular and widespread in our country with its flavored varieties smoked in Egypt.

"Smoking hookah is an art."
said the old. As Smogmoon Tobacco, we will be your indispensable friend by bringing together the best virgin tobacco with the best aromas of the world, will add the taste of art to your pleasure and accompany your conversations.

WORLDS BEST VIRGINIA TOBACCO

As well as being the mildest of the tobacco varieties, it has the best levels of natural dextrose, giving it a unique sweetness.

BEST FLAVORS OF THE WORLD

We carefully selected the fruits and flavors and blended them for you, resulting in the best flavors in the world.
